

Vendor readiness under Goods & Service Tax ('GST') regime

As you all are aware that GST is proposed to be implemented in India w.e.f. 1st July 2017. GST will replace all the indirect taxes (except basic Customs Duty) levied on goods and services by the Centre and States/UTs.

To ensure smooth transition to GST without any hindrances following steps may be initiated at your end on priority:

- Obtain the provisional GST Identification Number (GSTIN) from the Government.
- Have a plan to implement GST compliant invoices along with HSN (Harmonised System of Nomenclature i.e. Excise classification) / SAC codes(Service Accounting Code to be specified by the Government shortly) and indicate tax at line level (wherein line level showing the GST for each line item coming in invoice having a separate HSN/ SAC code).

NPCIL e-tendering portal will be modified soon wherein entering GSTIN shall be made mandatory for all prospective bidders who are required under the GST Act to have GSTIN.

Vendors /Contractors who are required to have GSTIN but do not furnish the same may face difficulties in accessing NPCIL e-tendering portal in future.

In view of the above, we request you to be ready with the relevant information related to your GSTIN details.

All enrolled bidders in NPCIL e-tendering portal will be required to update GSTIN and other related information 27.06.2017 onwards for continuous participation in NPCIL tenders.

Thank you for your continued support and partnership.

Regards,

NUCLEAR POWER CORPORATION OF INDIA LTD. GSTIN details:
